Woodpiles or other material shall be stored in a manner so as not to be attractive to native rodents, snakes, and other animals and to minimize the potential danger from fires. for such Lot shall be exercised as they among themselves shall determine, but in no event shall more than one (1) vote be cast with respect to any Lot. The vote for each such Membership must be cast as a unit, and fractional votes shall not be allowed. In the event that a Membership is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall forfeit their right to vote on the matter in question. If any Member casts a vote representing a certain Membership it will thereafter be conclusively presumed for all purposes that he was acting with the authority and consent of all other Owners of the same Membership unless objection thereto is made at the time the vote is cast. No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof.

Class B. Class B members shall be the Declarant and shall be entitled to two (2) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

Subject to the DAVE'S VIEW at Martins Bluff Rules all of the Owners of a Membership may designate one or more non-Members (herein referred to as a "Designee") to exercise all of the rights of the Member under this Declaration except the Member's voting rights but such designation shall not relieve the Member of any liabilities or obligation as an Owner or Lessee or with respect to the Membership. So long as such designation is in effect, the Member shall be permitted to exercise only his voting rights and the Board may among other things, in its discretion,

set maximum or minimum periods for which such designation may be in effect and limit the number of persons who may be so designated by any Member at any one time.

ARTICLE VI
COVENANTS FOR ASSESSMENTS AND CREATION OF LIEN

Section 1. Creation of Lien and Personal Obligation of Assessments and Maintenance Charges.

The Declarant for each Lot conveyed after the development period (turn over) within DAVE'S VIEW at Martins Bluff hereby covenants and agrees and each Owner by acceptance of a Deed thereto (whether or not it shall be so expressed in such Deed) is deemed to covenant and agree to pay the Association the following assessments and charges: (1) Annual Assessments established by this Article VI; (2) Special Assessments for Capital Improvements or other extraordinary expenses or costs established by this Article VI; (3) Maintenance Charges established by Article IX and all such Assessments to be established and collected as hereinafter provided. The Annual Assessments, Special Assessments, and Maintenance Charges together with interest costs and reasonable attorney's fees shall be a charge on the Lot and shall be a continuing servitude and lien upon the Lot against which each such Assessment is made. Each such Annual and Special Assessment and Maintenance Charge shall be the personal obligation of the person who was the Owner of the Lot at the time the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to the successors in title of the Owner unless expressly assumed by them.

Section 2. Annual Assessments. In order to provide for the uses and purposes specified in Article IX and Article X hereof including the establishment of replacement and maintenance reserves the Board in each year commencing with the year 2006 shall assess against each Lot an Annual Assessment. The amount of the Annual Assessment subject to the provisions of Section 5 hereof shall be in the sole discretion of the Board but shall be determined with the objective of fulfilling the Association's obligations under this Declaration.

Section 3. Rate of Assessment. The amount of any Annual or Special Assessment intended specifically for the maintenance of any common area, shared roads and their associated 60 foot wide easements as shown on the DAVE'S VIEW at Martins Bluff survey, including asphalt paving or road repairs, electric power and telephone utilities, slope and drainage maintenance, culverts, and landscaping, if any, will be shared equally and each Owner shall pay an equal amount.

The Association will establish and maintain a separate bank account exclusively for funds used for maintenance of any common area and shared roads within DAVE'S VIEW at Martins Bluff. Initially, the total assessment for road maintenance in phase 2

shall be Five Thousand Dollars (\$5,000) per year. This amount may be adjusted by a majority vote of the membership. All other assessments will also be equal, and each owner shall pay an equal amount. Annual Assessments may be collected on a quarterly or annual basis and Special Assessments may be collected as specified by the Board unless otherwise determined by the resolution of the Members of the Association approving the Special Assessment.

Section 4. Maximum Annual Assessment. The Annual Assessment to be established by the Board may not exceed a certain amount hereinafter referred to as the “Maximum Annual Assessment “ which shall be determined and shall vary in accordance with the following provisions:

- (a) Until January 1 of the year 2007 the Maximum Annual Assessment against each Owner or Lessee shall be four hundred dollars (\$400.00) per each Membership.
- (b) From and after January 1, 2007, and during such year, the Maximum Annual Assessment may be increased effective January 1 of each year without a vote of the Membership by a maximum of twenty five percent (25%).
- (c) From and after January 1, 2007, the Annual Assessment may be increased above the Maximum Annual Assessment otherwise determined under Subsection (b) above by a vote of two-thirds (2/3) of the Members who are voting in person or by proxy at a meeting duly called for such purpose.

Section 5. Special Assessments for Capital Improvements and Extraordinary Expenses. In addition to the Annual Assessments authorized above, the Association may levy, in any Assessment Period, a Special Assessment applicable to that period only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the common area, easements, including fixtures and personal property related thereto, including the water system, or for the purpose of defraying other extraordinary expenses, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of the Members who are voting in any such Special Assessment. The provisions of this Section are not intended to preclude or limit the assessment, collection or use of Annual Assessments for the aforesaid purposes.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members no less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the votes (exclusive of suspended voting rights) of the Membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Establishment of Annual Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, and the first Assessment Period shall commence on January 1, 2006 and terminate on December 31, 2007. Assessments for new Owners will be prorated as of the date the Owner becomes an Owner. The Board in its sole discretion from time to time may change the Assessment Period by recording with the County Recorder of Cowlitz County, Washington, an instrument specifying the new Assessment Period.

Section 8. Rules Regarding Billing and Collection Procedures. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making the Assessments provided herein and for the billing and collection of the Annual and Special Assessment and the Maintenance Charges imposed pursuant to Article IX provided that said procedures are not inconsistent with the provisions hereof. Such procedures may include an obligation for the Owner to collect Assessments imposed on a Lessee and forward the collected amounts to the Association. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefore shall not be foreclosed or otherwise enforced until the Member has been given not less than thirty (30) days written notice prior to such foreclosure or enforcement at the address of the Member on the records of the Association that the Assessment or any installment thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of a Membership changes during an Assessment Period; successor Owners of Lots and successor Lessees shall be given credit for prepayments, on a prorated basis, made by prior Owners and Lessees. The amount of the Annual Assessment against Members who become such during an Assessment Period shall be prorated and such new Members shall not be liable for any previously levied Special Assessment.

Section 9. Collection Costs and Interest on Delinquent Assessments. Any Assessment or installment thereof not paid when due shall be deemed delinquent and shall bear interest from thirty (30) days after the due date until paid at a rate of twelve percent (12%) per annum. The Member shall be liable for all costs including attorney's fees that may be incurred by the Association in collecting the same. The Board may also record a notice of Delinquent Assessment against any Lot as to which an Assessment is delinquent and constitutes a lien and may establish a fee to reimburse the Association for the Association's cost in recording such notice, processing the delinquency and recording a notice of payment, which fee shall be treated as a collection cost of the Association secured by the Assessment Lien.

Section 10. Evidence of Payment of Annual and Special Assessments and Maintenance Charges. Upon receipt of a written request by a member or any other person the Association within a reasonable period of time thereafter shall issue to such member or other person a written certificate stating: (a) that all Annual and Special Assessments and Maintenance Charges (including interest costs and attorney's fees if any as provided above) have been paid with respect to any specified Lot as of the date of such certificate; or (b) If all Annual and Special Assessments and Maintenance Charges have not been paid the amount of such Annual and Special Assessments and Maintenance Charges (including interest costs and attorney's fees if any) due and

payable as of such date. The Association may make a reasonable charge for the issuance of such certificates which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or lender on, the Lot in question.

ARTICLE VII
**ENFORCEMENT OF PAYMENT OF ANNUAL AND SPECIAL ASSESSMENTS AND
MAINTENANCE CHARGES AND OF ASSESSMENT LIEN**

Section 1. Association as Enforcing Body. The Association, as the agent and representative of the Members, shall have the exclusive right to enforce the provisions of this Declaration.

Section 2. Association's Remedies to Enforce Payment of Annual and Special Assessments and Maintenance Charges. If any Member fails to pay the Annual or Special Assessments or installments when due, or to pay Maintenance Charges assessed pursuant to Article IX, the Association may enforce the payment of the Annual or Special Assessments, Maintenance Charges and/or the Assessment Lien by taking either or both of the following actions, concurrently or separately (and, by exercising either of the remedies hereinafter set forth, the Association does not prejudice or waive Its right to exercise the other remedy):

- (a) Bring an action at law and recover judgment against the Member personally obligated to pay the Annual or Special Assessments or the Maintenance Charges;
- (b) Foreclose the Assessment Lien against the Lot in accordance with the then prevailing Washington law relating to the foreclosure of realty mortgages (including the right to recover any deficiency), and the Lot may be redeemed after foreclosure sale as provided by law.

Section 3. Subordination of Assessment Lien to First Mortgage or Deed of Trust; Priority of Lien.

The Assessment Lien provided for herein shall be subordinate to any first mortgage lien held by, or deed of trust of which the beneficiary is, a lender who has lent funds with the Lot or Parcel as security, or held by the lender's successors and assigns, and shall also be subject and subordinate to liens for taxes and other public charges which by applicable law are expressly made superior. Except as above provided, the Assessment Lien shall be superior to any and all charges, liens or encumbrances which hereafter in any manner may arise or be imposed upon each Lot. Sale or transfer of any Lot shall not affect the Assessment then; provided, however, that if the sale or transfer is pursuant to foreclosure of a mortgage or deed of trust to which the Assessment Lien is subordinate, or pursuant to any sale or proceeding in lieu thereof, the purchaser at the mortgage foreclosure or deed of trust sale, or any grantee taking by deed in lieu of foreclosure, shall take the Lot free of the assessment Lien for all Annual and Special Assessments and Maintenance Charges that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu of foreclosure; but upon the date of issuance

of a sheriff's or trustee's deed or deed in lieu of foreclosure, the Assessment Lien immediately shall become and remain superior to any and all other charges, liens or encumbrances (except made superior), and such mortgage or deed of trust foreclosure sale purchases or grantee shall take subject to all Annual and Special Assessments, Maintenance Charges and Assessment Liens thereof accruing subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu of foreclosure.

Section 4. Costs to be Borne by Member in Connection with Enforcement of Payment of Annual and Special Assessments and Maintenance Charges. In any action taken pursuant to Section 2 of this Article, the Member shall be personally liable for, and the Assessment Lien shall be deemed to secure the amount of, the Annual and Special Assessments and Maintenance Charges together with interest and the Association's collection costs and attorney's fees, including those costs and fees specified in Article VI, Section 9.

ARTICLE VIII **USE OF FUNDS; BORROWING POWER**

Section 1. Purposes for which Association's Funds may be Used. The Association shall apply all funds and property collected and received by it (including the Annual and Special Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of DAVE'S VIEW at Martins Bluff and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, security, programs, studies and systems, within or without DAVE'S VIEW at Martins Bluff, which may be necessary, desirable or beneficial to the general common interests of DAVE'S VIEW at Martins Bluff, the Members and the Residents. The Association also may expend its funds for any purposes which any municipality may expend its funds under the laws of the State of Washington or such municipality's charter.

Section 2. Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such period of time as is necessary or appropriate.

Section 3. Association's Rights in Spending funds From Year to Year. The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Annual or Special Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

Section 4. Administration of Special Use Fees. The Association is authorized to bill for, sue for, collect, administer and disburse all Special Use Fees and the payment thereof shall be secured by the Assessment Lien; provided however that all Special Use Fees collected shall, if imposed in connection with a particular improvement, be separately accounted for as to each separate improvement pertaining to which they are collected and shall be

expended on the particular improvement to which they pertain.

Section 5. Insurance. The Association shall maintain insurance against liability incurred as a result of death or injury to persons or damage to property on the Common Easements, a fidelity bond to protect against embezzlement or theft of funds and any other insurance that the Association deems commercially reasonable.

ARTICLE IX **MAINTENANCE AND SECURITY**

Section 1. Common Areas, Common Easements and Private Roads. The Association or its duly delegated representative shall maintain and otherwise manage all Common Area and Common Easements, including but not limited, all Private Roads and entrances to Lots, and landscaping. Specifically, the Association (at its option) shall maintain landscaping and improvements within those easements shown on the exhibits hereto and described as follows: (1) Private Roadways as shown on the Plat, (2) Entry areas, (3) Slope Easements, (4) common walkways, paths or parks within DAVE'S VIEW at Martins Bluff. The Board shall use a reasonably high standard of care in providing for the repair, management and maintenance of said property so that the DAVE'S VIEW at Martins Bluff development will reflect a high pride of ownership. In this connection the Association may, subject to any applicable provisions on Special Assessments for capital improvements, in the discretion of the Board:

- (a) Reconstruct, repair, replace or refinish any improvement or portion thereof upon the Common Area and Common Easements. Replace injured and diseased trees and other vegetation in any easement and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes.

The Association shall be responsible for a prorata contribution, as determined by Declarant, toward the maintenance of any private road, easement or other Common Area (of any Phase of DAVE'S VIEW at Martins Bluff) used by any Member of the Association defined in this Declaration.

The Board shall be the sole judge as to the appropriate maintenance of all Common Area and Common Easements and other properties maintained by the Association.

The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this Article IX and in order to promote uniformity and harmony of appearance the Board may also cause the Association to contract to provide maintenance services to Owners of Lots having such responsibilities in exchange for the payment of such fees as the Association and Owner may agree upon.

Section 2. Assessments of Certain Costs of Maintenance and Repair of Common Areas and Common Easements. In the event that the need for maintenance or repair of Common Area and Common Easements and other areas maintained by the Association is caused through the willful or negligent act of any Member, his family, guests, invitees or Designees, or by the use of heavy trucks, equipment or construction related traffic used by any Member, his family, guests, invitees, designees, contractors or agents the cost of such maintenance or repairs shall be added to and become a part of the Assessment to which such Member and the Member's Lot is subject and shall be secured by the Assessment Lien. Any charges or fees to be paid by the Owner of a Lot pursuant to Section 1 of this Article IX in connection with a contract entered into by the Association with an Owner for the performance of an Owner's maintenance responsibilities shall also become a part of such Assessment and shall be secured by the Assessment Lien.

Section 3. Improper Maintenance and Use of Lots. In the event any portion of any Lot is so maintained as to present a public or private nuisance or as to substantially detract from the appearance or quality of the surrounding Lots or other areas of DAVE'S VIEW at Martins Bluff which are substantially affected thereby or related thereto or in the event any portion of a Lot is being used in a manner which violates this Declaration, or the spirit thereof, or in the event the Owner of any Lot is failing to perform any of its obligations under this Declaration, or the architectural guidelines and standards of the ARC, the Board may by resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective actions are taken within fourteen (14) days, the Board may cause such actions to be taken at said Owner's cost. If at the expiration of said fourteen (14) day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken and the cost thereof shall be added to and become a part of the Assessment to which the offending Owner and the Owner's Lot is subject and shall be secured by the Assessment Lien.

Section 4. Security. The DAVE'S VIEW at Martins Bluff Association or its duly delegated representative may, subject to Cowlitz County approval, operate and maintain a card or code actuated security gate system at the entrance to DAVE'S VIEW at Martins Bluff. If so, the Board shall use a reasonably high standard of care in providing for the operation of the security gate so that the DAVE'S VIEW at Martins Bluff development will provide reasonable protection to its Owners, Lessees and Residents; provided, however, the DAVE'S VIEW at Martins Bluff Association shall not have any liability to any Owner, Lessee, Resident or other person for any damages, injury or theft to person or property caused by any failure of the entrance security gate system. A majority vote of the members of the Association will be required to create a security gate. The Board shall be the sole judge as to the appropriate level and type of security

provided. The Board may cause the Association to contract with others for the performance of the security obligations under this Section.
